

WinFlex Mobile by EbixExchange

Why stay chained to your desk? Now you can have the flexibility to compare products from Carriers and produce illustrations from anywhere at any time using the WinFlex Mobile application.

Ebix has released the beta version of WinFlex mobile and is now accepting beta testers. Interested participants should contact the Ebix technical support staff at (435) 649-5300 x123. They will walk you through the process of signing up and obtaining credentials for the beta version of WinFlex Mobile.

WinFlex has over 30 major life insurance carriers that we are working with to get their products represented on our mobile application. During the beta release, you can expect to see constant improvements and additional Carriers' products being added. Feel free to contact your preferred carriers if you would like to illustrate their products from your tablet device.

Sign up today to take advantage of our FREE trial period!

WinFlex Mobile benefits:

- Designed for use on a tablet device
- Term and guaranteed UL products for multiple carriers
- Results can be easily emailed to client and home office
- Create compliant illustrations anywhere

Current Participating Carriers:

- American General
- Genworth
- Hartford
- ING
- Nationwide
- Additional carriers signing on
- During beta testing, contact the carriers you would like to see on the platform

Beta testing will run through September 2012. Feel free to also download our mobile quoting app—**VitalQuote Mobile**—from the Apple iTunes store during this free trial period.
